April 2024

Spring is here and it is time to get out and enjoy God's wonderful weather. It is important for us to remember that we need to continue to come to church and praise our Lord even when it is nice outside. I know how hard it is to take time out during your beautiful day off to come to church but wouldn't it be a shame if God put a sign on his door that he is out of the office enjoying the day he made and won't be available for the day!

Eph 1:13-14 NIV "And you also were included in Christ when you heard the message of truth, the gospel of your salvation. When you believed, you were marked in him with a seal, the promised Holy Spirit, (14) who is a deposit guaranteeing our inheritance until the redemption of those who are God's possession—to the praise of his glory."

Now that Covid is over, and the weather is getting nice again maybe it is time for those of you that have just been watching on-line to come back to us in person. We miss you when we can't greet you or see your smiling face. Is it possible that you are coming to church for someone else that needs to see you instead of just for yourself? Just a thought.

God's Blessings,

Pastor Galen
